Top 10 Wedding Planning Tips

- 1.** Dine with us (and overnight), if possible. Your wedding day is a big investment and you wouldn't buy a car without taking it for a test drive. You won't be disappointed!
- 2.** Decide on what's important to you – make a list of 3 things that are important to you that we can fulfil.
- 3.** Save the date – the most popular dates get snapped up first so if you have your heart set on a specific date, get in early to avoid disappointment!
- 4.** Delegate – all those little jobs can be given to someone you trust to take the pressure off.
- 5.** Keep the contact – make sure to keep in touch with your wedding planner, and if in doubt, ask if there's something you're not sure about. The more detail you can provide about what your dream day should be, the better picture can be painted for them.
- 6.** The personal touch – injecting your own personality into the day can really make it stand out whether it's your stationary or flowers, guest book or cake.
- 7.** Get an early night – it might go without saying but try to get a good night's sleep on the eve of your big day.
- 8.** Have a good breakfast! It's going to be a long day.
- 9.** Once the day is here relax and enjoy this most special of days with your partner, family & friends.
- 10.** Set your budget (include a contingency in case of last minute 'must haves').

Make the right turn down the road less travelled.

Newfoundland's Rose Sea B&B Wine & Whiskey Weekends!

Travel along the curves and ups and downs along Newfoundland's rugged south-west to the end of the road. There, at Rose Blanche where the elements of rock, water and wind meet in the North Atlantic on a majestic scale – you will taste the finest of what the sea and the distilleries have to offer. For one of those precious / few spring weekends of the lobster fishing season, you will experience the culture of lobster – travelling by boat (weather permitting) down the coast to an abandoned lobster fishing outport and meeting a local lobsterman to discuss the lobster livelihood past and present. Then you will participate in the preparation and gourmet cooking of lobster with a Cordon Bleu chef, all culminating of course in consuming the delicacies. This, combined with eight superior single malt whiskey tastings and discussion by a whisky expert will be the highlights of your weekend. But other unforgettable moments will be gentle hikes along traditional paths, the evening kitchen party, and professionally curated wine pairings with your traditional Newfoundland meals. All this is set against the backdrop of your comfortable accommodations at RoseSea Bed and Breakfast situated on a working harbour.

Included: 8 single malt tastings with informal discussion lead by single malt expert Norman Gentner, fine wine with meals, accommodation, full served breakfasts, 2 dinners, 2 lunches, excursions, kitchen party of local music, taxes.

\$1150 per person, double occupancy.

Belleek Castle

Weddings. Hotel. Restaurant. Museum.

it's historic

Belleek Castle, one of Ireland's historic stately homes, was expertly restored by the Marshall Doran. Set in the middle of Belleek Woods near Ballina (Salmon Capital of Ireland) we're only 40 minutes drive from Knock Airport. Superb AA Rosette fine dining from master chef Stephen Lenahan. International golf courses, world class salmon fishing & shooting, scenic walking, cycling and historic sites all close by.

The Castle tour includes an explanation of the origins of the Castle, the history of the Earl of Aaron: The Knox Gore family. The Castle and the Great Famine of 1845. The life of Marshall Doran and his collection at the Castle. The influence of the Spanish Armada. The Mediaeval Great Hall. The fossil collection and Grace O'Malley room. The Castle Armour Collection. See and feel up close, the weaponry of the mediaeval soldier.

Enjoy the facilities of this ancestral home of the Earl of Arran, historic and unique, intimate and magical. The Castle is informal, cosy & friendly, rich in antiquities with many open log fires to warm your steps back through half a millennium. We do not have dainty, artificial décor as many modernized castles or houses do. Our walls are stone, our antiques genuine and our armour bullet proof!

For parties up to 60 the beautiful Granuaile's Candlelight Restaurant and for weddings of up to 200 guests can be accommodates in our Mediaeval Banqueting Hall, located in the stone arched vaults, which formed part of the original Belleek Castle in the 16th century. Irish Blessing

EMERALD & DIAMOND RING

Set with a Genuine
Emerald and a Pavé of
12 Genuine Diamonds

Engraved inside the band
with a line from the
“Irish Blessing” poem
*May the road
rise up to meet you*

Hand-crafted in Solid
Sterling Silver with 18K
Gold-plated Accents

A FINE JEWELRY EXCLUSIVE FROM THE BRADFORD EXCHANGE

The history of the Celtic cross goes back to the 8th century, with a meaning rooted in its symbolism of the endlessness of God's love. With the Celtic revival in the 19th century, this beloved emblem became associated more and more with Irish and Celtic pride, as well as with the unifying principles of faith, hope, love and honor. Today, we have joined the Celtic cross, steeped in ancient legend, with contemporary style, in a stunning new jewelry design—our “Irish Blessing” Emerald & Diamond Ring.

The ring is hand-crafted in solid sterling silver with entwined bands, one decorated with an 18K gold-plated infinity motive and the other band sparkling with a pavé of 12 genuine diamonds. Embraced at the center is a beautiful Celtic cross, with 18K gold-plated Celtic knot patterns and a gorgeous genuine emerald. As a final touch, the ring is engraved inside with the first line from

the famous “Irish Blessing”: *May the road rise up to meet you*. It is truly fine jewelry to treasure, rich with beauty and meaning!

A Remarkable Value...
Available for a Limited Time

Made to order in women's sizes from 5-12, this exclusive ring is an exceptional value at \$129*, payable in 4 monthly installments of \$32.25 and backed by our 120-day unconditional guarantee. YOUR "RIGHT" TO OWN A TARTAN

"Often over the years one has heard people say they have the right or that they are entitled to own this or that tartan.... in fact no such right, in any legal sense, exists for them or anyone elsethe only considerations which govern the wearing of a particular sett are usage and good taste"

In fact.... ex Presidents George W Bush, Barrack Obama and Apollo 12 astronaut crew all have their own bespoke Scottish Tartan and you too could be the proud owner of a Scottish Tartan, designed and commissioned to meet your exact requirements.

ALLOW US TO DESIGN YOUR OWN BESPOKE CELTIC HERITAGE TARTAN AND SUPPLY A SUPREME QUALITY 17oz FABRIC (HAND FINISHED) KILT, THE FINEST KILT THAT CAN BE BOUGHT AND ENHANCE THE EXPERIENCE BY SHOWCASING YOUR NEW TARTAN DESIGN IN ONE OF OUR BREATHTAKING EXHIBIT FRAMES.

Display your new tartan design, complete with Certificate of Registration from The Scottish Register of Tartans in our selection of beautifully crafted frameworks. These exhibits are a fitting tribute to any stately home, VIP office, organisation, sporting facility or can be proudly displayed as a centre piece within any family home creating a heirloom for family generations to come.

Our kilt maker has designed tartan for George W Bush, Apollo 12 astronaut crew and created the American National Tartan, to name but a few.

As a standard package, we weave (as a minimum) tartan fabric to make up to three kilt lengths and include one framework, although additional kilts/frameworks can be provided upon request. At Tartan Venture Ltd we only provide the highest quality product and customer experience. Therefore our kilts are supplied with the finest of New Zealand wool which is stain proofed and when woven in 17oz weight gives the kilt the most presentable appearance. Our mens kilts are supplied in 17oz weight, Supreme Quality and Hand Finished by a seamstress who has over 30 years of experience.

Investment in a family, corporate or organisational tartan design will likely occur only once in a lifetime, so it is important that we guide you through the design process carefully to ensure the end product meets your full satisfaction and is a product you will be proud to wear and showcase your celtic heritage.

The kilt maker who performs our designs is one of the finest in Scotland, so you can be assured of a tartan design that is of the highest quality and will be a piece of excellence in both presentation and quality. Our tartan designs are not just appealing to the eye, they have to tell a story.

PLEASE ACCESS OUR WEBSITE FOR FULL DETAILS ON HOW TO PURCHASE A KILT AND FRAMEWORK WITH YOUR OWN TARTAN DESIGN. IN THE FIRST INSTANCE PLEASE ESTABLISH CONTACT BY E-MAIL OR USE THE CONTACT FORM IN THE WEBSITE CONTACT PAGE, WE WILL THEN PRE-ARRANGE A PHONE CALL WITH YOU TO DISCUSS THE DESIGN AND PRODUCTS YOU WOULD LIKE TO CONSIDER PURCHASING.

CATS AND CLUES

With the Highlands of Scotland and Key West adventures behind them, Angora-mix brothers Angus and Edmond are resting up at home in New York City when they cross paths with a shady rodent and begin receiving cryptic messages. The clues lead them to Italy -- the opera in Milan and carnival in Venice -- where the mystery unfolds and danger threatens.

Animal lovers and children of all ages will enjoy this third book of lively cat tales. 🐾

Author Gunna Dickson is a New York based writer and editor.

Jon McIntosh, Key West.*

“The Italian Mystery Adventures of Angus and Edmond” is published by Virtualbookworm.com and is available on Amazon.com and other online sites.

Scotland 1746

A young man fighting for his life amid the brutality of the Highland Clearances.

A British officer bent on revenge for the death of his nephew and the ruin of his career.

Exiled to the British Colonies, and caught up in events that will shape the future of North America, each will struggle to overcome the hand that fate has dealt him.

Through A Darker Eye is a sweeping adventure spanning two continents; a blood feud that begins in the hills of Scotland that will play out its final act in the heart of the of the Canadian wilderness.

Meticulously researched, this debut novel is the first in a series featuring the adventures of the Wallace brothers in the years following the 1745 Jacobite rebellion.

George Douglas was born and grew up in Scotland, and has lived in Canada for over thirty years. He lives and writes in Vancouver, BC and travels extensively in Scotland and North America to research the historical and geographic background for his fiction.

**Through A Darker Eye is available online at:

With the reign of terror over, a tale of love, loss and political subterfuge emerges. Where VAIR ends, "Ann's Story" begins.

VAIR-- A taut historical thriller that follows a series of bizarre modern-day murders using weapons linked to the 16th century. The killings appear to follow the path of a U.S. visit by an heir to the British throne.

Author Gunna Dickson is a New York based journalist. She has worked for a major NY newspaper and a global news agency and translated six books. This, her fourth book, honors the memory of her husband, Stewart Dickson, a Scottish foreign correspondent.
